# Scale Now: Gain Traction Fast in the U.S.

## Strategies to Achieve Fast, Sustained Growth

The U.S. market offers vast opportunities but fierce competition. For growth-focused companies, key questions include:

- Who are your early adopters?
- Which events are the most productive—and how should you participate?
- How do you differentiate from the competition?
- What value propositions and calls-to-action resonate most with your target audience?

You're not alone—these are common challenges for companies looking to enter and scale in the U.S. market.
